

Senarai Kerja Kosong Kerani Seluruh Malaysia

Antara kerja kosong yang paling sesuai dengan perempuan ialah jadi KERANI. Dan sebabkan pelawat blog saya ni ramai perempuan. Jadi saya list kan lah jawatan kosong khas untuk kerani di sini..

Gaji Berapa?

Untuk gaji pun ada disenaraikan, tapi untuk jumlah berapa yang anda dapat kalau layak macam biasa bergantung kepada tempat.

Macam biasa, kebanyakan company yang bagi gaji tinggi di bandar bandar besar seperti KL semua tu.

Dan juga jenis perniagaan company itu sendiri, atau service apa yang mereka tawarkan. Lagi mahal product atau service yang company itu hasilkan, lagi tinggi lah gaji anda.

Apa apa pun, paling kurang saya tengok dalam list ni lebih kurang RM 1000 hingga ke RM 1 200. Paling tinggi RM 3 200 – RM 4 000. Untuk range RM 2000 pun boleh kata banyak juga.

Untuk senarai di bawah, saya tak letakkan berapa gaji dan kelayakan ya. Hanya nama company dan location sahaja. Kalau nak tahu, anda hanya perlu pilih area kerani mana yang anda nak cari dan click detail jawatan tersebut.
